

PUBLIC FORUM

The City of Roswell cares about your opinions and we encourage you to participate with us in a community outreach effort featuring Public Forums throughout the city. The forums are designed so the City Manager can hear directly from the citizens of Roswell. We want to hear your concerns and we seek your ideas regarding how to work together to make our community a great place to work, live and play. Join City Manager Joe Neeb at any of the forum dates below. Your suggestions and input are valued. We want to hear from you.
