

SUMMER READING PROGRAM

JUNE 3 - JULY 31, 2019

RULES

The Summer Reading Program at the Roswell Public Library is open to all ages. The program is based on how much you read between June 3 and July 31, 2019. This includes reading of any kind: books, magazines, newspapers, as well as listening to audiobooks. Also, one person reading to another person counts for both the reader and the listener.

READING LOGS

As soon as you register you may begin reading and tracking the number of books/pages read using the Beanstack Tracking app, the Beanstack website, or available paper log. When you reach the weekly reading goal you are awarded a badge on Beanstack which entitles you to a prize. Bring in your log or show staff your badge in Beanstack to collect your prize. Logs will be stamped when prizes are claimed. Children must be present to collect their prize and must be accompanied by their parent/guardian.
