

2020 VIRTUAL PUBLIC FORUMS

Using the online service GoToMeeting, the City of Roswell will hold Virtual Public Forums each month from June through October. The web link and access code citizens will use to join the meeting will be posted on the city's Facebook page as soon as that information is available for each forum.

In preparation for each Virtual Public Forum, citizens will be asked to submit their questions and discussion priorities online. A link to do that will be announced before each forum. City Manager Joe Neeb will give a presentation during each forum to address the most common questions and concerns among those submitted. Following the presentation, time will be allotted for citizens to ask other questions on any topics of interest and concern.

The City of Roswell cares about your opinions and we encourage you to participate with us in a community outreach effort featuring Virtual Public Forums. The forums are designed so the City Manager can hear directly from the citizens of Roswell. We want to hear your concerns and we seek your ideas regarding how to work together to make our community a great place to work, live and play. Join City Manager Joe Neeb for any of the forums. Your suggestions and input are valued. We want to hear from you.
