Re-inspection Fee: Residential or Commercial - \$80.00
Plumbing/Mechanical top-out must be approved prior to calling for an electrical rough-in. Fees will be doubled for work started without securing a permit. A re-inspection fee will be charged for any work concealed prior to inspection. Additional inspections maybe subject to additional fees. If the General Contractor does not have the permit posted where signature is necessary and a second trip is required for signature, a re-inspection fee will be charged to the Electrical Contractor. If correction notice is given the contractor will have 10 days to make the corrections and re-inspection fee may apply.
